#### **Course Description:**

This class provides orientation and training for College of Technology peer mentors. Mentors will learn valuable leadership skills, establish a network within the college community, and develop advocacy skills while learning how to guide a student mentee through the transition period of adjusting to college life and rigorous academics. Each class will include skills training and discussion of mentor and mentee progress and activities. (credit/no credit option only)

#### **Course Expectations:**

- Mentors must maintain a 2.5 GPA.
- Prior to mentor training: submit the Mentor application and obtain 2 references on the form provided.
- Complete the Mentor Agreement.
- Attend all training sessions.
- Complete a mid-semester and final program evaluation.
- Maintain the Mentoring Plan and Log of Activities, and review during class time with instructors.
- Provide a presentation on one topic from the course outline.

#### **Policies:**

1. Eligible students with disabilities will receive appropriate accommodations in this course when requested. Please be prepared to provide a letter from your DDS Coordinator. Early notification is the best assurance that accommodations can be provided in a timely way.
2. Attendance is expected for all classes.
3. All course activities are governed by the Student Conduct Code, which embodies the ideals of academic honesty, integrity, human rights, and responsible citizenship.
